

MOKO Park

*Written by **Bonnie Kok (1C 10)***

MOKO Park is located in Mong Kok East. There are a lot of things in the park. I can see lovely butterflies. I can see beautiful flowers too. There are some rubbish bins in the park. We can throw the rubbish into them. There are also clean toilets in the park. We can wash our hands there.

I can do a lot of things in the park. We can play on the slides. We can also play on the seesaws with our friends. We can sit on the benches to rest too.

I think MOKO Park is a good place for children to play in because it is fun to play in and exciting. It is my favourite park!
