

MOKO Park

Moko Park is located in Mong Kok. There are a lot of things in the park. I can see a lot of tall and green trees. I can see some beautiful flowers too. There are some rubbish bins in the park. We can throw away the rubbish. There are also some comfortable benches in the park. We can sit there and take a rest.

I can do a lot of things in the park. We can play on the slides. We can also fly cute kites. We can do sports there too.

I think Moko Park is a good park for children to play in because there are so many long slides and new swings. It is fun to play on.
