

My Favourite Toy

*Written by **Keeva Chiang** (1L 5)*

My favourite toy is a doll.

My mum gives it to me.

It is light purple and light brown.

It is hard.

It is medium-sized.

It has two tiny ears.

Its eyes are big.

I play with it every day.

I take good care of my toy.

I put it in a special place after playing.

I mend it when it is broken too.

I like it very much because it is big and fun to play with.

I share my favourite toy because sharing makes others happy.
