

A Letter to the Headmistress about the Rules at Water Bay Beach

Dear Headmistress Chan,

I am writing to tell you what I think about the sign I saw at Water Bay Beach. I agree with most of the signs, but there is one sign I would like to discuss with you.

Firstly, there is a sign that says, “Don’t litter.” I agree with this rule because it is important not to litter. Otherwise, the beach will become very dirty and smelly, and animals may get hurt by the trash and become sick. We should throw rubbish into the rubbish bins to keep the beach clean.

Secondly, I also agree with the rule “Don’t run around” because it is important not to run around. Otherwise, we might bump into others and get hurt, and we may need to go to the hospital. We should walk and play carefully.

However, I don’t agree with the rule “No ball games.” I think it is important to do exercise outdoors so that we can stay healthy. But we should play carefully and follow the other park rules, because they are very important. They keep us safe and help us show respect.

I look forward to seeing your reply soon.

Best wishes,

Gaby Wong
